UPVC THERMOPLASTIC ROOFING

- Corrugated Type
- Rib Type
- UPVC ASA Colored Roofing
- Spanish Roof Tiles

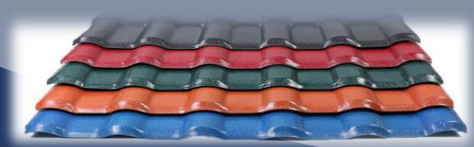

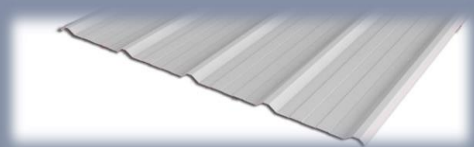

UPVC THERMOPLASTIC ROOFING

- uPVC Thermoplastic Roofing is 100% rust-free and corrosion resistant, making it one of the best options for areas with high humidity, chemical vapors, and coastal areas. Polyvinyl Chloride roofing materials are generally accepted and used as the answer for tireless issues of corrosion and heat, especially in the Philippines.
- The material has ASA (Acrylonitrile Styrene Acrylate) and ultra weather resin to block the solar ultra violet and reduce the coefficient of heat conductivity, ensure product durability, and resistance to chemical corrosion.

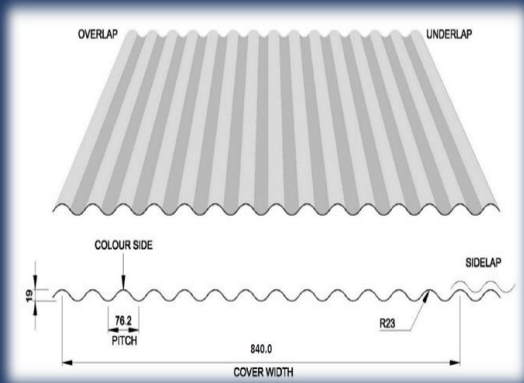

Available in rib type and is perfect for any roofing application.

BENEFITS and ADVANTAGES

- ✓ Heat Insulation
- ✓ Water Resistance
- ✓ Sound Insulation
- ✓ Long Lasting
- ✓ Eco-Friendly
- ✓ Extremely Durable
- ✓ Corrosion Resistant
- ✓ Rust-free
- ✓ Highly Competent Insulator
- ✓ Weather and UV Ray Resistant
- ✓ Fire Retardant
- ✓ Tough and Durable
- ✓ Fast and Easy to Install
- ✓ Low Maintenance
- ✓ Available in Long Span
- ✓ Cost-Effective

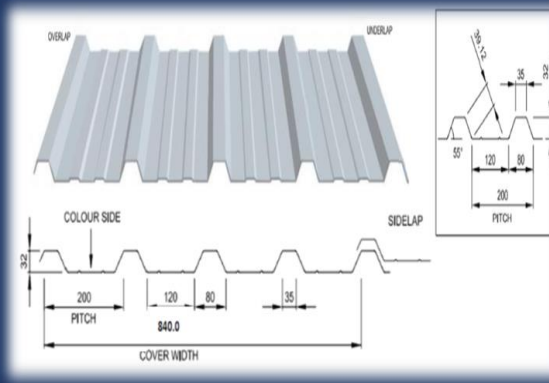

TECHNICAL DATA SHEET

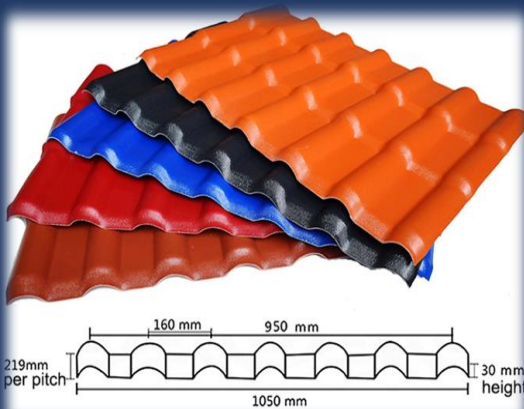

CORRUGATED SHEET

THICKNESS

- ✓ 1.5mm
- ✓ 2.0mm
- ✓ 2.5mm
- 940mm (width)
- Effective "Width" 840mm

RIB TYPE ROOFING SHEET

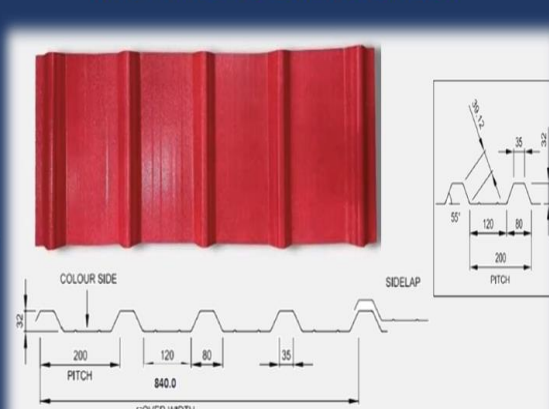

SPANISH ROOF TILES

THICKNESS

- ✓ 2.0mm 950mm (width)
- ✓ 2.5mm Effective "Width" 1050mm

AVAILABLE COLORS:

UPVC ASA COLORED ROOFING

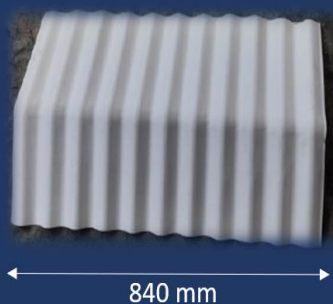

THICKNESS

- ✓ 2.0mm 940mm (width)
- ✓ 2.5mm Effective "Width" 840mm

BEST FOR

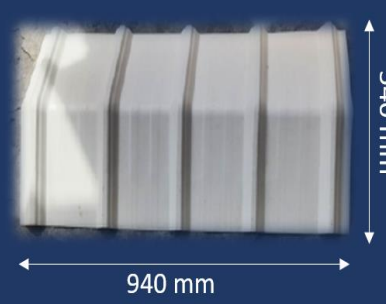

- Industrial and Manufacturing Plants
- Chemical Plants
- Agricultural (Piggery and Poultry Houses)
- Agro-Industrial (Food Processing and Feed Mills)
- Warehouse (Depot and Storage Buildings)
- Institutional (Multi-purpose and School Buildings)
- Commercial Complex (Malls, Resorts, and Gymnasiums)
- Housing (Townhouses, Condominiums and Mass Housing)
- Others (Canopies, Path Walks, and Public Markets)

HARDWARE ACCESSORIES

TOP RIDGE

- ✓ 1.5mm
- ✓ 2.0mm
- ✓ 2.5mm

AVAILABLE COLORS:

TEKSCREW (METAL & WOOD)

- Washer with Cap
- ✓ 50mm or 2"
- ✓ 62.5mm or 2 1/2"
